STEAM Days

Wednesday, Thursday or Friday
May 1, 2 or 3

Featuring the **Mesner Puppet Theater** & A Farm Town USA Kansas Adventure

Our new program welcomes students (correlated for K-4th Grade) on an adventure back in time to the turn of the 20th century. The National Agricultural Center's Farm Town USA (Farmstead, Rock Island School house, General Store, Hatchery, Blacksmith Shop and Train Depot) provides a tangible setting, offering a glimpse back at emerging towns on the prairie. Throughout the day students will participate in real life scenarios lead by costumed volunteers. They will engage in activities creating the connections between the technological advances, food sources, homes, school and transportation changes from the Trail period to modern day. "Then and Now." And no journey would be complete without a train ride across the prairie into town!

Cost Only \$5 per person
